

SUNDAY CLOSING

Dear Customer,

It is our belief that Land Rover is primarily a family oriented Brand for people with active lifestyles and a taste for the finer things in life.

Having recently contacted our existing customers about the possibility of closing on Sundays, we were astounded by their support. I received dozens of letters congratulating us on our refreshing approach to our business and our staff, at a time when 24 hour opening appears to be more fashionable. This is a view I hope you will also support.

Hillendale is a family business and has now grown over the years to be the largest Independent Land Rover Centre in the UK but like any business, we are completely dependant on your custom and support; something that is never lost on us or taken for granted.

As you have taken the time to visit us today, I do hope you will feel free to browse around the many cars on display and whilst we hope you will support us and visit again when we are open, you may find it more convenient for us to call you back upon our return and to assist you in this, you will see detailed below a dedicated line for you to use.

Please leave us a message on 01282 723769 We would be delighted to call you back to discuss your requirements and arrange a test drive.

Yours faithfully
